

PRESS RELEASE

3rd Steering Committee Meeting of Mo.Na project February 27, 2019

The 3rd Steering Committee Meeting of the project Mo.Na: “Monuments In Nature: A Creative Co-Existence” was held via skype, on the 27th of February 2020. It was organized by the European Center of Byzantine & Post-Byzantine Monuments, Thessaloniki, Greece (LP in the Project) and representatives from all Project Partners, institutions from Albania, Greece, Cyprus and Bulgaria and external experts participated.

The 3rd SC Meeting focused on discussing the current state of project implementation and expenditures, the next steps to be taken and the necessary contribution by each partner.

Partners responsible for each work package elaborated in the implementation of each W.P. and the methodology to be used in their implementation. Among the topics discussed were habitat mapping, holistic management approach, the development of a study on territorial integrated approach and common policies, the development of brand for the promotion and protection of natural and cultural environment, as well as storytelling activities for multiple target groups.

The dates and places of the next Steering Committee meetings and international workshops were set.
